Volatility Analysis

Investment Objective

The Fund aims at achieving an annualized return higher than that of the S&P/TSX, over four-year rolling periods.

Benchmark
S&P/TSX

Investment Strategy

The Fund objective is to grow capital over medium to long term. The Fund uses active selection of securities by specialized managers. Occasionally, American securities may be held to increase diversification in some sectors. As such, the Fund may have exposure to the US dollar, which may be hedged using forward contracts. Different investment approaches as well as styles add to the diversification of the Fund. The Fund holds marginal amounts in cash and cash equivalents.

Notes

The applicable investment fees and operating expenses are paid by participants through redemption of units in their account and/or deducted from the fund's unit value, at a rate which varies according to the group and fund. Please refer to the plan member "batirente.com/en/my-account" for more details.

BÂTIRENTE Funds are intended for active and retired members of CSN affiliated labour unions and to their spouses. A person having adhered to Bâtirente has the benefit to continue his participation even if he ceases to be part of a labour union affiliated to the CSN.
